CMS Peer Helpers,

With a heavy heart and great disappointment, I have to inform you that our New York City trip has been canceled. Initially, we were hoping that our trip was scheduled late enough in the year to avoid cancellation, but the reality of this unprecedented situation has all of us, including our school division, making some very hard decisions to ensure your health and safety. Mrs. Hansford and I, along with our financial secretary at CMS, will begin refunding any deposits that have been made on the trip. This may take several weeks considering the circumstances, so we ask that you please be patient with us. Any money acquired through fundraising cannot be refunded. We will be working on a plan to make sure you get to enjoy the money you worked so hard for all year, even if we have to schedule it for late summer.

Please know that we are heart-broken about missing out on this experience with you. It takes a tremendous amount of time and effort to plan a trip like this, but that doesn't compare to the difficulty we face disappointing each of you. Again, we are terribly sorry, but this is beyond our control. Do not hesitate to contact either one of us through Google Classroom or by email if you have any questions or concerns.

Sincerely,

Mrs. Jennifer Taylor- Peer Helper Advisor
